

Amendments to the Specification:

Please delete the following sentence beginning on page 1, line 2:

~~DESCRIPTION~~

Please insert the following heading beginning on page 1, line 4:

Background of the Invention

Please delete the following paragraph beginning on page 2, line 12 and insert the following heading:

~~Such a problem is resolved by a motor function test system as covered by the attached claims.~~

Summary of the Invention

Please Amend the following paragraph beginning on page 2, line 14:

A first ~~subject~~ object of the present invention is therefore that of providing a motor function test system which exploits the measurement of biomedical parameters and/or functions correlated with the movement of the subject and/or with their posture control during the Tinetti test.

Please Amend the following paragraph beginning on page 2, line 20:

A second ~~subject~~ object of the present invention is that of providing a method for the acquisition and collection of signals

and their processing into the corresponding parameters for a motor function test, as provided by said motor function test system.
